

Personalised Children's Books A new concept of books for children

Taking reading to the next level. Now children together with their families, can be the stars of their very own stories in these novel books, featuring their photos as well as their names.

A concept revolutionizing the world of personalised children's books...

With its modern yet artistic illustrations, it is a truly original experience that Unique Editions offers to young children and their families. Combining professional digital and off-set printing, each book is individually produced using the highest quality materials. A real technological revolution in comparison with the quality of personalised children's books currently available on the market.

...and educationally beneficial for the child.

The photos are well integrated in the illustrations, making the discovery of the book a moment of family fun, filled with surprise. The child, naturally interested in the characters featuring, is immediately captivated by the story.

« The little world of... »

ages 1 - 4 years

Fusing the child's real world with the world of reading!

For the first time, this is a story where children can see themselves within their very own family, in everyday life. It depicts a charming story of a typical day out to the park, playing in the sandpit, a trip on the carousel, enjoying an ice cream, while mom and dad also feature.

« The magical journey of ... »

ages 3 - 8 years

An innovative approach to making reading fun!

With its poetic text, the child is transported on a magical journey along with a friendly genie. The genie, with his magical powers, allows children to live out all their favourite fantasies. He takes the child to candy land, transforms the little boy into a pirate searching for treasure, a magician making magic, the girl into a mermaid splashing in the waves, and a princess on horse-back. This book is guaranteed to grip young readers.
